

Managing Professional Information Overload

TIPS/RESOURCES/TOOLS

Tips

1. Information overload has always been present; it's not new. (CS)
2. You're never going to be able to keep up with everything. (HB)
3. These things are TOOLS to serve you and help you. (BN)
4. Skimming. Trash. Treasure. (HB/BH)
5. You're not alone in this struggle. (HB)

Resources

1. Alltop.com
2. Library Link of the Day
3. American Libraries Direct
4. Mashable and Lifehacker
5. Google

Tools

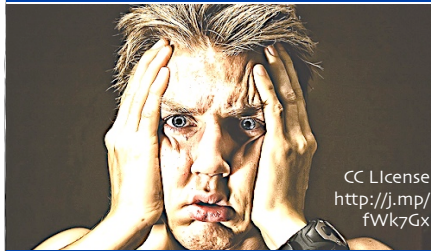

1. Instapaper
2. Evernote
3. Diigo
4. FeedMyInbox
5. Dropbox
6. Twitter & Facebook

*"What we're dealing with now is not the problem of information overload, because we're always dealing (and always have been dealing) with information overload... Thinking about **information overload isn't accurately describing the problem; thinking about filter failure is.**"*

--Clay Shirky
